Height Classes

Regular Classes	Dog's Actual Height	Preferred Classes
8"	11" and under at the withers	4"
12"	14" and under at the withers	8"
16"	18" and under at the withers	12"
20"	22" and under at the withers	16"
24"	over 22" and under at the withers	20"
26"	Dogs may be entered at this height at the owner's discretion	

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; however they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present, **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog *before* its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Important

If you provide an **email address** on your entry form, all future communications will be via email, including final confirmation information and judging schedule. Please make sure the Trial Secretary's email address: (marybery@comcast.net) is allowed by your spam blocker. We will not resend or do any extra work to get your ISP to allow us to send messages to your email address. **ENTRIES RECEIVED WITH POSTAGE DUE WILL NOT BE ACCEPTED BUT WILL BE RETURNED TO SENDER WITHOUT ACTION**

NEW PREMIER STANDARD AND JUMPERS CLASSES

We are offering the newest AKC Agility classes – Premier Standard and Premier JWW. These classes will provide an opportunity for agility competitors to demonstrate handling skills that may be different than those required for the Masters level classes.

Both Premier Standard and Premier JWW courses will be Master level courses incorporating a number of elements that challenge the dog and handler in ways that are not typically seen on traditional AKC courses. These elements could include threadles, back-side jumps, pull-throughs, layering, challenging weave pole entries, and longer running passes. One bi-directional jump or tunnel will be allowed to encourage handling strategies. Obstacle spacing on Premier courses may exceed the limits of those on Master courses.

Premier courses will use the same obstacles as the corresponding Master course. There may be 3 tunnel passes and there will be no table. There may be 3 tunnel passes and there will be no table. A Premier course will have 19 to 21 obstacles, 3 side switches, 4 Premier Elements and 5 Challenges. Courses will be judged using AKC Master scoring and hand signals.

Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners SM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of the American Kennel Club in effect at the time of this event, and by any additional rules and regulations appearing in the premium list for this event, and further agree to be bound by the "Agreement" printed above on this form.
