GENERAL INFORMATION: This is the first event at this facility and to continue to be able to hold future events at The Competition Canine Training Center, please be courteous to those living in the area and do NOT park on Debbie Lane. Anyone who does will be asked to move. There is no food available on site but a number of fast food restaurants and supermarkets are in the area.

- ABSOLUTELY NO FOOD IN THE RINGS OR YOU WILL BE ASKED TO LEAVE!! This is important as we are using the same rings for the trial on Sunday and a bit of food can make the testing environment not what it should be.

Crating: There is limited crating so no X pens or 'living-room' set ups. Some areas are off limits to general crating - please respect those signs.

RING SCHEDULE: I have broken the rings down by classes. The Ring lists and the Master class entered list are attached to this and up on the website - Sacramentodtc.org Each ring will check in and organize the dogs to run based on the hour you are assigned. Be sure to note any conflicts when you check in at your ring/s.

Utility and Open will start at 8:00.

Rally and Novice will start at 8:00 with a walk through for Masters and then the ring will start at 8:10. When Masters is done there will be a 10 minute walkthrough for Excellent, then when that ring is done running exhibitors though, there will be a 10 minute walk through for Advance and so on. When Rally is done Beginner Novice will run and then Novice

There will be a book sale on site as well.

Thank you again for entering. Let me know if you have any questions other than moving your ring time...
